

### **Eyelash and Eyebrow Tinting Aftercare**

- Avoid touching/rubbing the treated area for several hours after the tint application to prevent irritation.
- Do not have a hot bath/shower or use a sauna, stream room or swimming pool for 24 hours.
- Avoid makeup on treated area for 8 hours.
- Strong UV light can fade the tint quicker.
- If irritation or swelling occurs, see medical advice immediately.

Thank you for choosing Invigorate Spa!
